Language Lessons

25X1A6a

1. The Chief of Station at [REDACTED] has need for taking language lessons primarily as a preliminary operational device to become acquainted with personnel in the area who will have future operational value.

2. In addition to the operational value of this procedure there is the long-range value to the organization of having a tested, reliable individual acquire the languages himself.

25X1A6a

25X1A6a

3. The proposed languages are [REDACTED]. [REDACTED] has a large [REDACTED] population. 25X1A6a

4. The cost will be approximately \$33 a month.

5. It is requested that approval be granted for this expenditure for a period of one year, subject to further consideration at the end of this period.
